Further details can be found in the Directive 2014/107/EU of 9 December 2014 “as regards mandatory automatic exchange of information” and in the OECD Standard for Automatic Exchange of Financial Account Information (“OECD Common Reporting Standard, CRS”).

“Account Holder”

The “Account Holder” is the individual applying for an account in the Fundsmith SICAV.

“Resident for tax purposes”/“Tax Residency”

Generally, a Person will be resident for tax purposes in a jurisdiction if, under the laws of that jurisdiction (including tax conventions), it pays or should be paying tax therein by reason of their domicile, residence, place of management or incorporation, or any other criterion of a similar nature, and not only from sources in that jurisdiction.

“TIN” (including “functional equivalent”)

The term “TIN” means Taxpayer Identification Number or a functional equivalent in the absence of a TIN. A TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction.

Some jurisdictions do not issue a TIN. However, these jurisdictions often utilise some other high integrity number with an equivalent level of identification (a “functional equivalent”).

By choosing email dealing, I/We confirm :

- I/We understand and agree that the Fund and the Administrator will rely on such electronic instructions received in good faith without further enquiry.
- I/We authorise the Fund and the Administrator to rely on such electronic instructions, based on the terms contained under this section. If further clarification is required, this includes the right for the Fund and the Administrator to request original documentation.
- I/We understand and accept that electronic communications are not a secure form of communication and may be intercepted, altered or corrupted by unauthorised persons.
- I/We understand and accept that using and relying on electronic communications involves increased risk of fraud and of miscommunications including those due to a telecommunications system or equipment failure, misdirected communications or illegibility of the instructions or documents.
- I/We understand that I/we may still elect at any time to deliver originals either physically or by facsimile.
- I/We do not receive (i) a prompt automatic email confirmation back from the Administrator associated email address that is specified in the Application Form and (ii) a telephone call or an email confirmation from a representative of the Administrator within twenty four hours (the "Confirmation Period"), if such instructions are sent on business days in Luxembourg between 9:00am and 6:00pm (CET) and if sent at any other times, the Confirmation Period will start the following business day in Luxembourg from 9:00am (CET), confirming the receipt of such dealing instructions.
- I/We will follow-up via telephone on +352 28 294 136 or email to fundsmith-ta-lux@ntrs.com whether the Administrator has received such email dealing instruction. Right of the Fund and the Administrator to not act on facsimile, emails and/or copies

If this is the case, the Fund and the Administrator agree that, whichever of them elects not to act upon the electronic communications, they will try to contact us on the same day to advise us of their decision. I/We will not hold the Fund or the Management Company (and they will not be) responsible if they choose not to act on electronic instructions, even upon signing up for email dealing to the email address given by me/us herein.

Allocation of risk

I/We agree to bear the risks associated with using and relying on electronic communications and that the Fund or the Administrator will not accept any responsibility for any use of an incorrect email address, interception, failure, alteration or corruption of the electronic instructions, non-receipt of the electronic instructions, failure of the technical infrastructure, or any allotment, transfer, payment or other act done in good faith in accordance with electronic instructions.

Appendix 4 – Additional information: valuation, fees, and charges

The below is designed to provide an overview of the fees, charges, and valuation methodology of the fund. Further information is provided in the Prospectus and Key Information Document (KID) which should be read before investing. Investors resident in the Republic of South Africa should also read the Minimum Disclosure Document (MDD).

Investment objective

The SICAV is an open-ended investment company incorporated under the laws of Luxembourg as a Société d'Investissement à Capital Variable ("SICAV") in accordance with the provisions of Part I of the UCI Law. The SICAV was incorporated for an unlimited period on 28 October 2011 under the name of Fundsmith Equity Fund Feeder. The SICAV changed its name to Fundsmith Equity Fund SICAV on 29 March 2019 and the Articles were amended on 22 March 2019. The SICAV underwent an additional name and structure change and is now named Fundsmith Equity Fund, as a sub-fund of Fundsmith SICAV, effective on 1 March 2021. The Articles were amended on 1 March 2021. The investment objective of the SICAV is to achieve long term growth in value.

The SICAV will invest in equities on a global basis. The SICAV's approach is to be a long-term investor in its chosen stocks. It will not adopt short-term trading strategies. The SICAV has stringent investment criteria which the Investment Manager adheres to in selecting securities for the SICAV's investment portfolio. These criteria aim to ensure that the SICAV invests in:

- high quality businesses that can sustain a high return on operating capital employed;
- businesses whose advantages are difficult to replicate;
- businesses which do not require significant leverage to generate returns;
- businesses with a high degree of certainty of growth from reinvestment of their cash flows at high rates of return;
- businesses that are resilient to change, particularly technological innovation;
- businesses whose valuation is considered to be attractive.

It is envisaged that the investment portfolio of the SICAV will be concentrated, generally comprising between 20 and 30 stocks. The specific investment restrictions are as follows:

- (a) the SICAV will not invest in units of other UCITS or other collective investment schemes with the exception of money market funds, in which the SICAV may invest up to 10% of its Net Asset Value;
- (b) the SICAV will not invest in derivatives and will not hedge any currency exposure arising from within the operations of an investee business nor from the holding of an investment denominated in a currency other than the Reference Currency; and
- (c) the SICAV does not intend to have an interest in immovable or tangible movable property.

How the NAV and price are calculated

The Net Asset Value of each Class and each Sub-fund will be calculated by the Administrator as of each Valuation Day in accordance with the Articles. The Net Asset Value of each Class will be expressed in the relevant Reference Currency of the relevant Class in a Sub-fund.

The Net Asset Value of each Sub-fund shall be determined as of the Valuation Day by valuing the assets of the Sub-fund (including income accrued but not collected) and deducting the liabilities of the Sub-fund.

The Net Asset Value attributable to a Sub-fund shall be determined as of the Valuation Day by calculating that portion of the Net Asset Value of the Sub-fund as of the Valuation Day by reference to the number of Shares in issue in each Sub-fund as of the relevant Valuation Day subject to adjustment to take account of assets and/or liabilities attributable to the Sub-fund.

The Net Asset Value per Share of each Sub-fund shall be calculated as of the Valuation Day by dividing the Net Asset Value of the Sub-fund by the total number of Shares in issue or deemed to be in issue in that Sub-fund as of the relevant Valuation Day and rounding down the resulting total to two decimal places (after the cents) or such number of decimal places as the Directors may determine.

The Subscription and Redemption Price per Share will be equal to the Net Asset Value per Share as of the relevant Valuation Day. The Net Asset Value per Share applicable to any Dealing Day will be calculated, available and published after the Cut-Off Time for that Dealing Day. As a result, subscription and redemption requests shall be submitted at an unknown Net Asset Value.

Risk Warning

Investors should note that collective investment schemes are generally medium to long-term investments. The value of participatory interests or the investment may go down as well as up and past performance is not necessarily a guide to future performance. Collective investment schemes are traded at ruling prices and can engage in borrowing and scrip lending. A schedule of fees and charges and maximum commissions is shown on the Key Information Document and Minimum Disclosure Document. These are available on request addressed to ir@fundsmith.eu or to fundsmith-ta-lux@ntrs.com or to 10 rue du Château d'Eau, L-3364 Leudelange, Grand Duchy of Luxembourg for the attention of Northern Trust Global Services SE.
